

Lost Cat, 10/2010

My cat Max has been missing since October 2010, in the neighborhood behind the Flea Market in Midway/West Navarre, (America St., Pentagon St.). I know it's been awhile, but I miss him dearly and was just hoping that someone found him and adopted him. He's a cranky little guy, but super awesome. If anyone has seen him, please let me know 🐾

Thanks
